• FILMS THAT BLOOM FROM THE DIRT •

## HELLO,

My name is Daniel Brown, the founder of Brownland Pictures. I'm a professional Animator, Video Editor, Director, Cinematographer Character Designer & 3D Modeler. I have worked on music videos, Short films and also Animation. I've also professionally Designed Characters for Animated Short Films and various other animated projects. In my spare time I also work on Album Cover arts and Music Visualizers for various artists. While also creating my very own live action & Animated short films and running my YouTube channel. I am very passionate about filmmaking and everything to do with creative expression.
